Signed _____ Date _____

NB. Payment for clubs will be billed via Parent Pay. Once your child's place in their chosen club(s) has been confirmed, the club fee will be added to your parent pay account during the Autumn term

Martial Arts (Years 1-2)

Traditional Martial Art is a thorough process, which improves physical coordination, mental focus and has a host of other profound benefits. Edwin Edelstein, who has been teaching and practising martial arts for over 20 years, will teach a unique method that has been formulated specifically to encourage these qualities in children. Collection will be from the OB reception at the end of each session.

Mini Coders - blue(shift) Coding (Years 1-2)

Mini Coders introduces children to creating with code. We aim to support the early development of foundational computational thinking, applied to fun and accessible creative projects, such as apps, games, and experimenting with simple robots!

We teach programming to children with Scratch Jr: an introductory programming language that enables young children to create their own stories and games. Through Scratch Jr, the club offers early years exposure to essential programming concepts such as sequencing and loops. blue(shift) uses iPads to teach our younger coders, with drag-and-drop code blocks, which are suited to the pedagogical needs of this age group. Moreover, children will get a chance to learn how circuits work, and experiment with basic motors and sensors as we build and program robots. By the end of term, students will have had a term of learning about how exciting coding can be, supporting their acquisition of computing skills well into the future!

Spanish Club (Y1-2)

Hola! Come and join Mr Fernandez in Spanish Club. It is open to everyone from Spanish speakers to complete beginners. We will learn and develop our Spanish through fun games and songs and learn about Spanish culture. Collection will be from the OB at 4pm.

Junior Yoga and Mindfulness Club (Years 2-3, 7.45-8.20am)

The children will be learn how to practice and explore the joy and magic of yoga in a fun and non-competitive environment. As they practice they will embark on a journey that will elevate their confidence, self-awareness, co-ordination and concentration. It will make them feel good about themselves as they will become physically stronger and increase their flexibility as well as learn how to use their breath to help them relax, get to sleep and cope more easily with the more emotional and anxious times in their life. There will always be time at the end of the session for relaxation and meditation.

Years 2-4: Drop-off at the JCB Reception @ 7.45am as the club will take place in the JCB Hall.

Chess Club (Year 1 and Year 2)

Chess club is led by Tony Niccoli, English Chess Federation Coach, and Donny Muter (former U18 and U21 British Champion). They have produced some of the best players in the UK, including London and British Junior champions! The children will learn through structured lessons, having fun and playing games. There will also be opportunities to represent the school in matches once they have reached the required level. Chess club is suitable for all levels, from beginners to advanced tacticians! These clubs take place at lunch time and a school packed lunch is provided.

Junior Drama – All Sorts Drama (Years 1-2)

In Junior Drama children will work on an exciting theme for the term and will be taken on different adventures to develop confidence, communication and performance skills. Collection will be from the OB reception at 4pm.

Ballet Strengthening Club (Years 1-2)

The club will focus on building core strength through a variety of ballet exercises. This should help the children to improve their posture and core strength when sitting and writing in class. They will need to wear something they can move freely in such as leggings and a top or leotard and tights. The children will do a warm up, some games and exercises to music and focus on their breathing. Most importantly, it will be lots of fun!

Cheerleading Club: Aurora All Star Cheer (Years 1-3)

In our after school clubs we ensure the children learn the basics of cheerleading in tailor made sessions.

Our programme is filled with fun, games and, of course, pompoms. Learning routines, stunts and tumbling skills. We find cheerleading is great for the children and helps improve fitness, strength and flexibility, as well as helping children's confidence and team work skills. This club will take place in the JCB hall and pick-up will be from the JCB reception.

Science Club – Little House of Science (Years 1-2)

Each week the children will be introduced to a new topic, such as 'Who Was Galileo Galilei?', 'Rumbling Volcanoes' and 'What is a Gene (DNA)' – each project based lesson introduces the child to a new scientific concept in an age-adjusted way. Each session will include a group discussion combined with practical demonstrations and children will have the opportunity to perform hands-on experiments. The materials used are thoughtfully designed to include colourful notes for the children as well as supportive notes for the parents to keep them informed. As a result, parents are given the chance to discuss, reference and ask questions about the topic at home, which assists in reinforcing the learning process! Collection will be from the OB reception after each session.

Gymnastics (Years 1-2)

This exciting club is a great way to keep in shape, whilst developing core strength and balance. It is run by Heather Watson, a qualified and experienced gymnastics teacher, and takes place in the OB Hall. Collection will be from the OB reception at 4pm.

Painting by numbers

Do you love art and being mindful? Come and join 'paint by numbers' club. A time for you to reflect on your busy day in a fun, calm and productive way. Weather dependent, we may even be able to paint outside some weeks!

Girls Football Club (Years 2-5)

This club is specifically for girls and takes place on the astroturf at Westway Sports Centre. It is being delivered by Mr Hayes. It will focus on developing the children's football skills and knowledge of the game. They will get to participate in a variety of activities and learn lots of new skills. They can also take part in the mixed boys and girls football on Thursdays. **Collection is from Westway Sports Centre pitch 2 at 5.00pm**

German Club (Years 1-2)

This club is run by an experienced native German speaker who has been recommended to us by some of the parents. Learn German in a friendly and playful atmosphere, with the class being tailored to reflect the children's age and level of knowledge. The class needs a minimum of 5 to run so if you are interested please sign up! This club take place at lunch time and a school packed lunch is provided.

Street Dance Club (Years 1-2)

Alix Ross has taught commercial street dance to children for over 6 years while also working as a professional dancer for nearly 10. Her aim in each class is to improve not only rhythm, coordination and confidence but to have fun while doing so. The classes are relaxed, but with emphasis on personal attitude and discipline, Alix not only provides professional dance training but a safe environment for each child to develop and come away with a dance piece they can be proud of. Collection will be from the OB reception at 4pm.

Tennis Club (Years 1-2)

This club is now taking place at Westway Tennis Centre on an indoor court and is delivered by two professional coaches from the centre. This club will focus on developing FUNdamental movement and racket skills. It offers an introduction to tennis through fun and engaging sessions developing sending and receiving, agility, balance and coordination skills. **Collection will be from the Westway Tennis Centre reception area at 4.25pm.**

Mixed Football Club (Years 1-2)

This club takes place on the astroturf at Westway Sports Centre and is being delivered by coaches from Chelsea FC. Sessions will develop FUNdamental movement and football skills through a variety of fun activities and small sided games. **Collection will be from Westway Sports Centre pitch 6 at 4.25pm.**
