

Autumn Term Clubs: Years 3-8

Start W/B Monday, 16th September & finish W/E Friday, 29th November 2019

Collect off site

***Please note, unless specified, sports clubs are available to both boys and girls*

Club	Time	Teacher	Age range	Cost	Tick
MONDAY					
Morning Running & Fitness Club	7.30-8.10am	Mrs Clews	Y5-8 (max 24)	£35	
Robotics club - Lego WeDo	4.00-5.00pm	blue{shift} Coding	Y3-5 (max 14)	£185	
Martial Arts (OB Hall)	4.00-5.00pm	Eddie Edelstein	Y2-4 (max 12)	£185	
LAMDA Drama (JCB Hall)	4.00-5.00pm	Allsorts Drama	Y3-6 (max 10)	£100	
Harry Potter Fun Club	3.45-4.45pm	Mr Leeder	Y3-4 (max 10)	£35	
Yoga and Mindfulness Club	4.00-5.00pm	Georgie Burleigh	Y6-8 (max 12)	£120	

TUESDAY					
Junior Yoga and Mindfulness (JCB Hall)	7.45-8.20am	Georgie Burleigh/Laura McBride	Y2-3 (max 12)	£100	
Scrapbook Journal/Mindfulness Club	10.30-11.00am	Mlle. Bugnet	Y6 (max 12)	£25	
Scrapbook Journal/Mindfulness Club	1.00-1.30pm	Mlle. Bugnet	Y8 (max 12)	£25	
Cheerleading club (OB Hall)	4.00-5.00pm	Heather Watson	Y1-3 (max 16)	£100	
Yoga and Mindfulness Club (JCB Hall)	4.00-5.00pm	Georgie Burleigh	Y4-5 (max 12)	£120	
Netball (NC Playground)	4.00-5.00pm	Mrs Clews & Mrs Looker	Y2-4 (max 20)	£35	
Year 6 11+ Maths Club	4.00-5.00pm	Mr Lee and Mr Gee	Y6		Invitation Only
Basketball (KLC)	4.00-5.15pm	Mr Jack	Y4-8 (max 20)	£35	
NHP Music Academy (Years 5-8)					

WEDNESDAY					
Senior Swim Squad (KLC)	7.30-8.30am	Miss Roberts & Miss Gelera	Y5-8		Invitation Only
Year 6 11+ Writing Club	1.30-2.00pm	Mrs Nutley-Scott	Y6 (max 15)	N/A	
Senior Gymnastics (OB Hall)	4.00-5.00pm	Heather Watson	Y3-6 (max 12)	£100	
Girls' Football (Westway Sports Centre – pitch 2)	4.00-5.00pm	Mr Hayes	Y2-5 (max 20)	£35	
Game Hacking with Python	4.00-5.00pm	blue{shift} Coding	Y6-8 (max 14)	£185	
Table Tennis (JCB Hall)	4.00-5.00pm	Mr Jack	Y3-8 (max 20)	£35	

THURSDAY					
Y4 Chess Club (lunchtimes)	1.00-2.00pm	Tony Niccoli	Y4 (max 20)	£110	
German Club	1.00-2.00pm	Vicky Katrantzi Dribusch	Y4-6 (max 8)	£130	
Science Club (JCB)	4.10-5.00pm	Little House of Science	Y3-4 (max 14)	£130	
Street Dance (OB Hall)	4.00-5.00pm	Alix Ross	Y3-6 (max 15)	£100	
Creative Writing Club	4.00-5.00pm	Miss McCullough	Y5 (max 10)	£35	
Tennis Club (Westway Sports Centre – indoor courts)	4.00-5.00pm	Westway Tennis Centre Coaches	Y3-6 (max 12)	£50	
Netball (Westway Sports Centre – netball court)	4.00-5.15pm	Miss Kirby	Y5-8 (max 30)	£35	
Girls' and Boys' Football (Westway Sports Centre – pitch 6)	4.00pm- 5.15pm	Mr McCollin, Mr Hayes & Chelsea FC	Y3-8 (max 50)	£35	

FRIDAY					
Year 3 Chess (lunchtimes)	12.00-1.00pm	Tony Niccoli/Donny Muter	Y3 (max 20)	£110	
Y5-8 Chess Club (lunchtimes)	1.00-2.00pm	Donny Muter	Y5-8 (max 20)	£110	
Junior Swim Squad (KLC)	3.30-4.30pm	Miss Roberts, Miss Gelera	Y3-4		Invitation only

Name: _____ Class: _____

Signed _____ Date _____

NB. Payment for clubs will be billed via Parent Pay. Once your child's place in their chosen club(s) has been confirmed, the club fee will be added to your parent pay account during the Autumn term

Morning Running and Fitness Club (Years 5-8)

Running and fitness club is being run by Mrs Clews. Meet at school at 7.15am for a 7.30am depart. We will then run to Kensington Memorial Park (900m), do a couple of laps around the park and then run back to school. All fitness levels welcome. It is a cracking way to start the week! If the weather is bad, we will run indoor fitness/drills/circuits in the JCB Hall.

Robotics club - Lego WeDo - blue{shift} Coding (Years 3-5)

This is a club that introduces children to robotics and coding. With a variety of exciting hands-on activities, children can embark on an engineering journey, design and build robots, and develop their coding skills.

We support the teaching of the National Computing Curriculum through showing children how hardware and software can be linked through code. During the club, children use purpose-built robotics kits like Lego WeDo, Ozobots, to build science, technology and maths (STEM) knowledge and creative ingenuity. We'll be making machines that can move, sense distance or colour, and programming them using a block-based coding language.

Our Robotics club is creative, entertaining, and most importantly, valuable as children will develop essential computational thinking and creative problem-solving skills. This hands-on club will provide fun off-screen activities, as well as help children gain an understanding of how coding languages can be used to unlock the cool abilities of machines!

Martial Arts (Years 2-4)

Traditional Martial Art is a thorough process, which improves physical coordination, mental focus and has a host of other profound benefits. Edwin Edelstein, who has been teaching and practising martial arts for over 20 years, will teach a unique method that has been formulated specifically to encourage these qualities in children. Collection will be from the OB reception at the end of each session.

LAMDA Drama Club – All Sorts Drama (Years 3-6)

Drama games, improve, and text work culminating in a showcase performance at the end of term with an option to work towards the LAMDA acting exams. Collection will be from the JCB reception at 5pm.

NB. Priority will be given to those pupils who were enrolled in the club in the Spring term, and who are therefore continuing preparation for their exam.

Harry Potter Fun Club (Years 3-4)

Are you a fan of Harry Potter?! Join Mr Leeder for Harry Potter fun club – each week, there will be activities, arts and crafts, quizzes and games! The club will take place in the JCB library. Sign-out from the JCB at 4.45pm.

Yoga and Mindfulness Club (Years 2-4 and Years 5-7)

The children will be learn how to practice and explore the joy and magic of yoga in a fun and non-competitive environment. As they practice they will embark on a journey that will elevate their confidence, self-awareness, co-ordination and concentration. It will make them feel good about themselves as they will become physically stronger and increase their flexibility as well as learn how to use their breath to help them relax, get to sleep and cope more easily with the more emotional and anxious times in their life. There will always be time at the end of the session for relaxation and meditation.

Scrapbook Journal/Mindfulness Club (Year 6 and Year 8)

We will decorate pages of a notebook each week using scrapbook methods like stamping, embossing, cutting, collage, lettering...etc Each page will have a different theme. For example: all about me; my friends; what I am grateful for; things that make me happy, my top 5 holiday destinations... and many more! Materials will be provided.

Cheerleading Club: Aurora All Star Cheer (Years 1-3)

In our after school clubs we ensure the children learn the basics of cheerleading in tailor made sessions. Our programme is filled with fun, games and, of course, pompoms. Learning routines, stunts and tumbling skills.

We find cheerleading is great for the children and helps improve fitness, strength and flexibility, as well as helping children's confidence and team work skills. **This club will take place in the OB Hall and pick-up will be from the OB reception.**

Netball Club (Years 3-8)

Children will have the opportunity to build on the skills they have been learning in lessons. The clubs are open to all children but we would especially encourage those children in the 'A' squads to attend so they have the opportunity to work together as a team. Sessions will be delivered by Miss Kirby

- **Year 2-4 – Tuesdays in the NHP Playground. Collection will be from the JCB reception at 5.00pm**
- **Year 5-8 – Thursdays at Westway Sports Centre. Collection will be from the Westway Sports Centre Netball Court at 5.15pm**

Basketball Club (Years 5-8)

This club takes place in the sports hall at Kensington Leisure Centre. Children will have the opportunity to participate in a variety of drills and competitions. It's a great opportunity to further develop the skills learned during PE lessons.

Collection will be from the Kensington Leisure Centre at 5.15pm

Swim Squad

We provide weekly swim training in addition to the swimming lessons children take part in during their PE lessons.

Participation in the swim squad is by invitation only. If anyone would like to join the squad during the year then please contact Mr McCollin. Trials will be held during the first couple of weeks of term. Dates will be communicated to parents in early September.

- **Junior: Years 3-4 – This session takes place at Kensington Leisure Centre on Friday after school. Collection is direct from the Kensington Leisure Centre reception area at 4.30pm.**
- **Senior: Years 5-8 – This session takes place before school on a Wednesday starting at 7:30am. Children will then walk to school in time for assembly at 8:30am.**

Gymnastics – Aurora Gymnastics (Years 3-6)

This exciting club is a great way to keep in shape, whilst developing core strength and balance. It is run by Heather Watson, a qualified and experienced gymnastics teacher, and takes place in the OB Hall. Collection is at 5pm from the OB reception.

Football Club (Years 1-8)

Children will have the opportunity to build on the skills they have been learning in lessons. The clubs are open to all children but we would especially encourage those children in the 'A' squads to attend so they have the opportunity to work together as a team. Sessions will be led by coaches from Chelsea FC alongside Mr McCollin and Mr Hayes.

- **Year 2-5 Girls only – Wednesdays at Westway Sports Centre. Collection will be from pitch 2 at 5.00pm**
- **Year 3-8 – Thursdays at Westway Sports Centre. Collection will be from pitch 6 at 5.15pm**

Game Hacking with Python - blue{shift} Coding (Years 6-8)

This club introduces older children to the world of text-based programming with Python, a popular yet easy-to-learn language used in industry. We will apply coding knowledge to create our own games!

blue{shift} aims to extend the skills learned as part of the National Computing Curriculum. Students will learn advanced programming through the library 'Pygame', and explore computational concepts like object-oriented programming, collision detection, classes, version control and debugging. We encourage children to express their inner creativity, through fun projects that allow them to apply code to game-making!

Children will come away with an understanding of the Python language, tangible projects they have coded themselves, and a passion for the potential of computing. As Python is used by many real-world businesses, this will set up club participants for computing study at higher levels, and learning further programming languages.

Chess Club (Year 3, Year 4 and Years 5-8)

Chess club is led by Tony Niccoli, English Chess Federation Coach, and Donny Muter (former U18 and U21 British Champion). They have produced some of the best players in the UK, including London and British Junior champions! The children will learn through structured lessons, having fun and playing games. There will also be opportunities to represent the school in matches once they have reached the required level. Chess club is suitable for all levels, from beginners to advanced tacticians! These clubs take place at lunch time and a school packed lunch is provided.

German Club (Years 4-6)

This club is run by an experienced native German speaker who has been recommended to us by some of the parents. Learn German in a friendly and playful atmosphere, with the class being tailored to reflect the children's age and level of knowledge. The class needs a minimum of 5 to run so if you are interested please sign up! This club take place at lunch time and a school packed lunch is provided.

Science Club – Little House of Science (Years 3-4)

Each week the children will be introduced to a new topic, such as 'Who Was Galileo Galilei?', 'Rumbling Volcanoes' and 'What is a Gene (DNA)' – each project based lesson introduces the child to a new scientific concept in an age-adjusted way. Each session will include a group discussion combined with practical demonstrations and children will have the opportunity to perform hands-on experiments in the JCB Science Lab. The materials used are thoughtfully designed to include colourful notes for the children as well as supportive notes for the parents to keep them informed. As a result, parents are given the chance to discuss, reference and ask questions about the topic at home, which assists in reinforcing the learning process! Collection will be from the JCB reception at 5pm.

Street Dance (Years 3-5)

Alix Ross has taught commercial street dance to children for over 6 years while also working as a professional dancer for nearly 10. Her aim in each class is to improve not only rhythm, coordination and confidence but to have fun while doing so. The classes are relaxed, but with emphasis on personal attitude and discipline, Alix not only provides professional dance training but a safe environment for each child to develop and come away with a dance piece they can be proud of. **Collection is from the OB reception at 5pm.**

Y5 Creative Writing

Join Miss McCullough for Creative Writing club. Explore stories and poems from famous writers. Discover how to use the rhythms and rhymes of language. Experiment with new ideas and literary devices to create your own works of literature.

Tennis Club (Years 3-4)

The club is taking place at the Westway Tennis Centre again and is delivered by two professional coaches. The club will focus on developing FUNDamental movement and racket skills. It offers an introduction to tennis through fun and engaging sessions developing sending and receiving, agility, balance and coordination skills. The age range has now increased to include Year groups 3-6.

Collection will be from the Westway Tennis Centre at 5.00pm
